

Auxiliary Third Quarter Newsletter
February 2021

Hello brothers and sisters! It seems like It has been a long time since I last wrote a newsletter—so long that I cannot remember where I left off. Oh well, maybe I will just start at the beginning. I sincerely hope that you are well and safe. I do not know about you, but I am delighted 2020 is over. What a year. I hope 2021 is much, much better. Despite being closed for almost one half of the year, our Auxiliary has accomplished much. We were able to serve nine breakfasts before the shut down and a one-month reprieve. We were also able to have physical meetings each month, (thanks to Bob and Fred graciously opening the Post) and the fact that our Post is large enough to provide space for social distancing. You all know about the bake-less-bake sale, the yard sale, and the VERY generous (\$1,500) donation from the Post. However, you might not know how the revenue was used. It allowed us to pay membership dues, meet all program quotas, and to make generous donations for the Salute to Veterans week and to the Veterans Home at Yountville. The last two items will be further fleshed out in the 4th Quarter newsletter. Big KUDOs go to Nyla, Cindy, Melony and Nora for their hard work. Finally, big KUDOs must go to all those who opened their purses and wallets to donate to the bake-less-bake sale and to all the members that donated items to sell at the yard sale. Thank you so much, you are all great. Finally, but certainly as important is that our Auxiliary reached 100.1% of its membership. We still have four potential new members which we will continue to seek them out. God bless all of you, and I hope you have a great 2021. Remember, “We may not know them all, but we owe them all.”
